

**Bridgewater Township
Winter Storm Update
January 26, 2015**

➤ **Latest Forecast**

Expected snow totals:

Today- 1.5-3.0" by sunset

Tonight- additional 5.0-8.0" snow overnight with blowing/drifted

Tuesday- additional 2.0-4.0"

Storm total: 8.0-14.0"

Wind Gusts: 20 mph – 45 mph (leading to blowing and drifting snow)

Please continue to monitor weather forecasts, conditions could change/worsen

➤ **Please Remove Automobiles from Road Curbsides Wherever Possible**

Leaving automobiles parked along road curbsides will **negatively impact plowing efforts** (makes plowing take longer, clears less of the road, and leaves more snow in road following plowing).

➤ **Please Do Not Travel Unnecessarily**

Between Monday and Tuesday evening, the severe conditions will make travel **extremely dangerous**, leading to a high possibility of stranded automobiles that divert emergency personnel and plows.

➤ **Reporting Power Outages/Utility Updates**

To Report Power Outages

FirstEnergy (JCP& L): 1.888.LIGHTSS (1.888.544.4877)

PSE&G: 1.800.436.PSEG (1.800.436.7734)

➤ **Plan and Prepare Before the Storm**

The following New Jersey Office of Emergency Management website is a great resource for residents to plan and prepare for winter weather threats:

<http://www.ready.nj.gov/plan/winter-threats.html>

The Somerset County Library will be closed on Tuesday, January 27th

Mayor Hayes and Bridgewater First Responders ask residents to continue to monitor the weather forecasts and to exercise caution in all storm related activities. Please be safe.
